Together We Can . . .

The theme for the 1985-86 school year was one selected to show a determination in self-worth and projected success. While every goal has not yet been met and conquered, we have made progress and we are hopeful that success will come to our students as adults, the true test of education.

Together We Will!

FIGHT SONG

We're the Mendon Pirates
That you hear so much about.
We will show you how to score
In basketball and shout
Rah! Rah! Rah!
We will dribble do-wn the floor.
Then we'll show you ho-ow to score.
Hail! Hail! For Mendon High —
We're the best team in the land.
GO!
FIGHT!
GO! FIGHT! WIN!
V I C T O R Y
Victory! Victory! Victory!

HAIL, ALMA MATER

Hail, Alma Mater,
Fill our hearts with singing.
Colors of blue and gold,
Hear our voices ringing.
Firm is our faith in thee
Through defeat and victory.
Hail Thee, oh Mendon High!

Mrs. Maurer . . .

On the job.

In the beginning.

Hard at work.

A bell opens a new year at Mendon-Union as it has done for many years. The lady responsible for the ringing of the traditional bell is Mrs. Maurer. Students over the many years look back on their high school careers with fondest memories of the lady who taught them all about English and William Shakespeare. Teachers and staff hold her in high regard. She not only teaches the subject matter, but she shows her students how to be productive, successful individuals. We owe Mrs. Maurer, a special lady, many thanks for her many years of unselfish dedication to her students and school.

A special lady.

1986 Clipper Staff

Staff meets new challenges

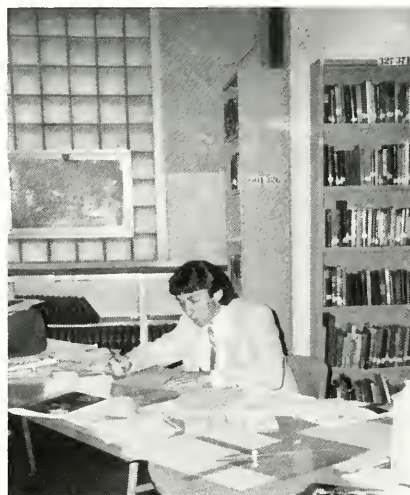

The 1986 Clipper yearbook staff took on a new experience this year. The staff had the challenge of designing each and every page themselves. Designing the yearbook pages meant greater creativity and self expression, but, it also meant spreading much more time and working much harder on a book that all of the Mendon community could be proud of.

The staff consisted of fifteen students from the high school. Miss Julie Scott, the junior high language teacher, was the advisor for the 1986 book. She spent many hours after school to make sure all deadlines we've met and that the book stayed within the budget.

The putting together of a yearbook takes much more time and effort than anyone can imagine. This book is a history of the 1985, 1986 school year and we on the Clipper staff hope you enjoy this addition of the Clipper yearbook.

Enjoying themselves before the work begins

GIRLS STATE

From June 14 to June 21, Julie Boley will be attending Buckeye Girl's State at Ashland College. Julie is being sponsored by the Women's Civic Club, from Mendon.

The American Legion Auxiliary Post #210 from Celina and the Women's Civic Club interviewed interested Juniors. Together with input from the guidance counselor and faculty they chose Julie as the delegate and Tracy Davis to be her alternate. If Julie would be unable to attend, Tracy would be the delegate. The purpose of Girl's State is to educate young women in the duties, privileges, right and responsibilities of American citizenship; with special emphasis upon the contribution women can make to the welfare of the city, county, state, and nation.

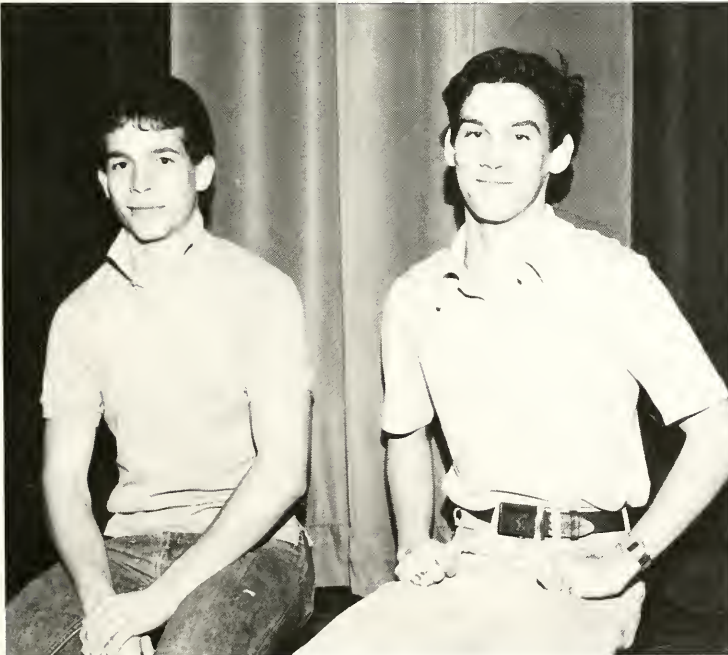

Tracy Davis and Julie Boley

BOYS STATE

From June 14 to June 21 John Emans will be attending Buckeye Boy's State at Bowling Green State University. The Coldwater American Legion will be sponsoring John who will be participating in this annual event. In the unlikely event that John cannot attend Dennis Kohorst has been chosen as his alternate.

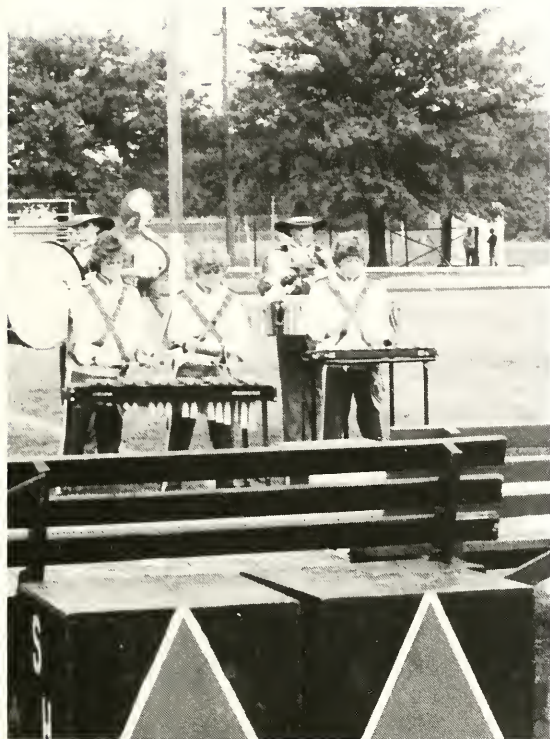

At Boy's State John will learn about how a state should be run. Elections will be held, with many young people campaigning for their choice of office. Some will not be elected to the office of their choice, but there are many jobs available and they will find a suitable occupation. Boy's State is a place where the delegates will learn about the duties, privileges, rights and responsibilities of American Citizenship. Delegates will have an opportunity to learn the problems of government, with special emphasis upon the contribution men can make to the welfare of the city, county, state, and nation.

County Band and Choir

On February 8th at Lima Sr. High Solo and Ensemble Contest was held. A lot of hard work and time was needed for preparation. The phrase "practice makes perfect" seems to be the phrase for these students. Congratulations!

This year County Band and County Choir was held in St. Henry. It gives the more advanced students a chance to get together and play new music.

A Winter Paradise

Don't drop her.

Which do I choose?

Ya wanna dance?

Who passed out?

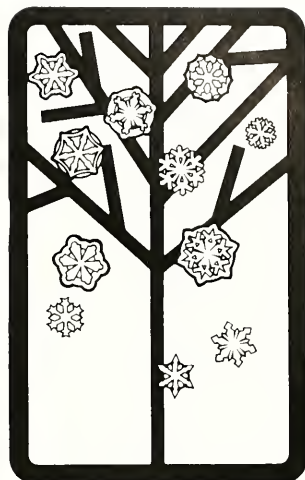

When I'm bad, I'm real bad.

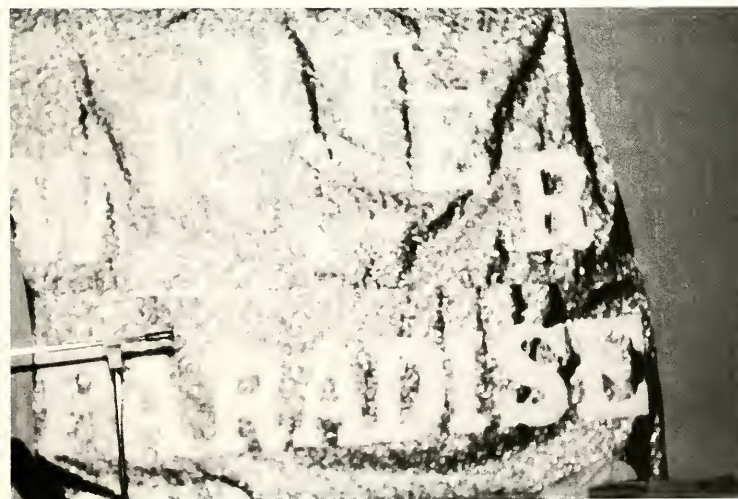

The happy couple.

The latest fashion.

Students enjoyed a Winter Paradise on January 11 in the school cafeteria. K-94 warmed the evening with popular hits as students danced their way into a winter wonderland. Snowflakes fell around everyone's feet while light sparkled on the shoulders of each couple.

A lovely evening.

But all the good ones are taken.

Always Have A Dream

Forget about the days when it's been cloudy,
but don't forget your hours in the SUN . . .

Forget about the times you've been defeated,
but don't forget the VICTORIES you've won . . .

Forget about mistakes that you can't change now,
but don't forget the lessons that you've LEARNED . . .

Forget about misfortunes you've encountered,
but don't forget the times your LUCK has turned . . .

Forget about the days when you've been lonely,
but don't forget the friendly SMILES you've seen . . .

Forget about the PLANS that didn't seem to work out right,
but don't forget to ALWAYS HAVE A DREAM.

Joe Cool and his friends.

Did I pass?

Graduation has been called off.

The graduating seniors of Mendon-Union High School prepared for this their day with hard work and dedication. Valedictorian, Terry Krogman and Salutatorian Tony Norris delivered well written speeches which reflected the sentiments of their fellow classmates. Each graduate proudly accepted the lambskin which signified the completion of twelve years of their lives.

The students will now begin their journey as adults. Many will seek their fortune, through further education or employment. The student body, faculty, administration, and community wish each individual luck and prosperity with each endeavor.

Thank God We Only Have To Do This Once!!!

Mr. Schacht is arrested.

The charges are read.

Guilty as charged,

cuffed,

caught.

The jailbird returns.

The Mendon-Union Staff donated money to the Mercer County Cancer Society to have Superintendent Jerry Schacht arrested for impersonating a superintendent. Mr. Schacht had to call friends and relatives to bail himself out of jail. We are glad to report Mr. Schacht's endeavors were successful and he was returned to his current position as superintendent.

Did you see that?

What you lookin' at?

Hungry Lori!

Decisions, decisions.

Just like Moms.

Wake up Darrell!

WE ARE UNIQUE UNTO OURSELVES

The world seems to be a jumble of humans
yet in that jumble
there is a unique individual
striving to find himself.
Reach into the grab bag
and pull out what you wish
whether it be smiles and laughter,
joy and happiness
or misery and sorrow,
tears and disappointment.

Reach in and pull out
friendship and companionship
for a true friend will stand beside you
at all times
and no matter what happens
whether good or bad
there will be someone who will understand.

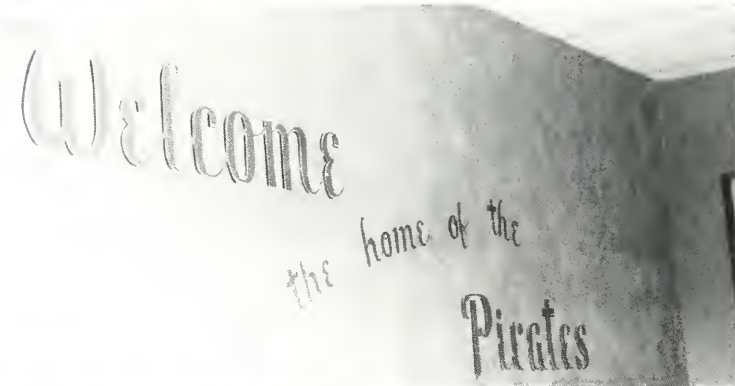

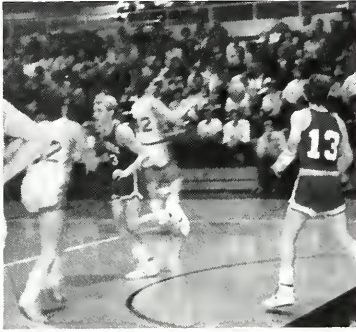

Reach in and pull out
freedom and security.
Now are difficult times for us.
We want freedom to do as we wish
yet we need the security of home
and we rely on it during these difficult times.

Reach in the grab bag
and pull out logic and reason.
Now comes a time for us to
mold convictions
and make judgments.
We must choose our path,
discover our direction,
and shape our future.
We will exercise these powers
and reach for the stars.

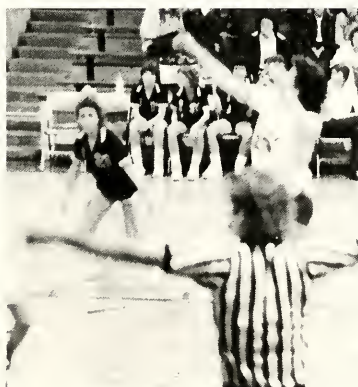

Reach in and pull out
inspiration and creativity.
Inspiration to strive toward our destiny
and to seek to discover a meaning
and a purpose in life,
and creativity to create a world
where everyone can peacefully live
the life they choose.

And most important of all
reach in the grab-bag
and pull out love
for love is the universal language
and the basis of all understanding.

Our life is like a grab-bag. There are many
opportunities for each and every one of us. All we
have to do is reach for them, grasp them, and then
make the most of them.

Cross Country

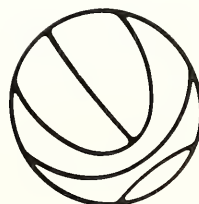

For the first time since 1983 the Mendon-Union Pirates have put runners back on the cross country field. The cross country team was started by a junior high student Jason Sutter, who was really interested in the sport of running. Jason with the help of his mother, Bev Sutter, organized the 85-86 team.

Many hard weeks of vigorous training were needed to get the runners into shape before their first meet. The "cross country trail" was a rocky one for both runners and coach. The team worked hard and seemed never to let pain and exhaustion get them down, but instead they used it to help them overcome their difficulties.

The meets came and went, with each one runner they became stronger and faster and ran with more confidence in themselves and their team. Not many victories were known to this Pirate Team, but with every loss it seemed to make the runners work harder through the cross country season the only victory came against Marion.

When you have an inexperienced team with inexperienced runners running against teams that have been running for many years you can't expect them to do well from the start. The inexperienced runners bounced back stronger from each defeat all the way to the end of the season where they gave it their best shot and won. Not only did they win a race, but they also won the respect from other teams. It just goes to

show that this Pirate team did NOT give up, but pushed their hardest at the end. There is a saying that fits this team of Mendon-Union. "WHEN THE GOING GETS TOUGH, THE TOUGH GET GOING!"
